

Criminal Records Review Program

All homestay families who have applied to host international students through SD22 are required to have a valid Criminal Record Check. This applies to anyone living in your home who is 19 years of age and older. NOTE: If you rent out part of your home, the suite must be self-contained with a separate entrance. If not, your renters will require a valid criminal record check.

1. Go to <https://justice.gov.bc.ca/screening/crrpa/org-access>
2. Enter our access code: **Q6KPAY3CKH**
3. Have your BC ID ready and a credit card - \$28 fee.

Share Clearance

If you have had a criminal record check performed within the last five years for the purpose of working with children, you might be able to share the clearance free of charge. If eligible, you can consent to share a pre-existing criminal record check when you apply using the above link.

****Please note that online third-party criminal record checks will not be accepted.**
